Dear Ms. Barnes:

You recently requested the following through the Open Public Records Act statute:

Government Request (#702): Names, identification numbers, dates of birth, dates of transfer and any other information UMDNJ has concerning the transfer of chimpanzees from Yerkes National Primate Center to UMDNJ between 1/1/95 through 5/17/09.

UMDNJ has never used or received chimpanzees during this time frame. The documentation you requested does not exist. I have attached a copy of your rights of appeal under the Open Public Records Act.

Sincerely,

Susan G. Glick  
Custodian of Public Records
